

# Long Haul

# Ready for anything the road demands.

The key to long-haul profitability is keeping your trucks on the road and on the job, with the lowest total cost of ownership. That's why Mack builds trucks that are fuel efficient, comfortable and reliable to run from coast to coast.

The all-new Mack Anthem<sup>®</sup> improves fuel economy, reduces maintenance costs and feels like a home away from home for drivers.

## EFFICIENT DESIGN

Slippery aerodynamics save fuel and improve your bottom line.

## SMART SERVICEABILITY

Tilt-assist hood and 3-piece bumper allow service professionals to access, repair and replace components quickly.

## LOWER REPLACEMENT COSTS

Modular construction lets you replace only what you need to—lowering repair time and costs.

## MAXIMIZE YOUR BOTTOM LINE

Drive down operating costs with trucks that stand up to the rigors of the road, save on fuel and retain quality drivers.

## DRIVER COMFORTS

Trucks and interiors designed for a higher quality of life on the road to help attract and retain top-notch drivers.

Mack Anthem<sup>®</sup>  
48-inch Flat Top  
Sleeper

Mack Anthem<sup>®</sup>  
70-inch Stand Up  
Sleeper

Mack<sup>®</sup> Pinnacle<sup>™</sup>  
70-inch Stand Up  
Sleeper

Features	Efficiency	Uptime	Driver Retention
MP <sup>®</sup> 7 - 11 liter engine up to 425HP and 1560 lb.ft. torque, MP <sup>®</sup> 8 - 13 liter engine up to 505HP and 1860 lb.ft. torque, or MP <sup>®</sup> 8HE - 13 liter engine up to 445HP and 1860 lb.ft. torque.	✓	✓	✓
Cummins Westport ISX12 G - 11.9 liter natural gas engine up to 400HP and 1450 lb.ft. torque.	✓		
mDRIVE <sup>™</sup> automated manual transmission in 12-, 13- or 14-speed versions.	✓	✓	✓
Improved aerodynamic design and enhancement packages displace airflow over and around the tractor and trailer.	✓	✓	
Single-point hood latch requires less effort to open for easy access to engine.	✓	✓	
Cost-effective breakaway mirrors, 3-piece hood and 3-piece bumper.	✓	✓	
LED exterior and interior lighting improve visibility and lower current draw.	✓		✓
Redesigned ergonomic dash with frequently used controls and switches positioned easily within the driver's reach.	✓		✓
Mack-exclusive premium seats and flat-bottom steering wheel for all-day comfort.			✓
Optional steering wheel switches for cruise control, hands-free phone and radio.	✓		✓
Sleeper amenities include factory refrigerator, microwave and flatscreen TV prep kits, inverter, USB and 12-volt charging ports as well as HVAC, radio and light controls.	✓		✓
Sleeper work surface, back wall storage option, back wall shelf and cup holder, under-bunk storage bins and deep storage center compartment.			✓

# Bold Aerodynamics.

Every component of the Mack Anthem<sup>®</sup> is engineered to maximize efficiency, improve fuel economy, and stand out from the competition.

**Flange**  
Prevents airflow between hood and bumper and moves air around cab.

**Air Dam**  
Reduces turbulence below cab for less drag.

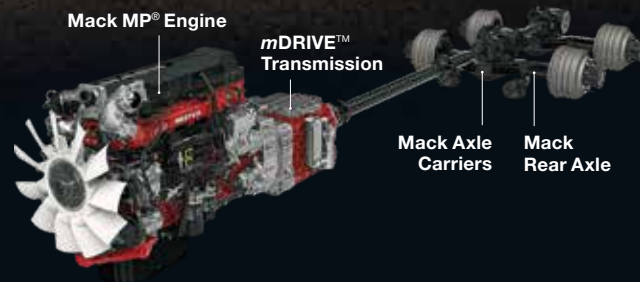

**Roof Fairings**  
Improve airflow from cab to trailer.

**Sloped Hood**  
Directs air over and around trailer.

**Covered Tow Loops**  
Cut down on wind resistance and create a clean look.

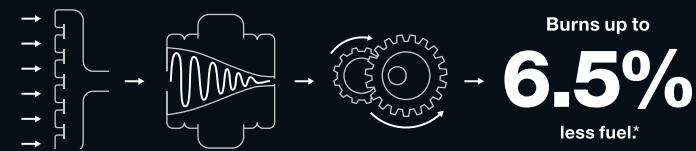

# Integrated Powertrain.

Engineered for efficiency and performance to conquer the highway, mile after mile.

## MP<sup>®</sup>8HE ENGINE

Combining the reliability of our MP<sup>®</sup>8 engine with the efficiency of Energy Recovery Technology, this powerful engine improves fuel economy by up to 6.5%.\*

Hot exhaust captured from engine. Exhaust gas converted to mechanical energy. Torque delivered to the crankshaft. Burns up to **6.5%** less fuel.\*  
\*Compared to non-MP<sup>®</sup>8 engine

## mDRIVE<sup>™</sup>

With no clutch pedal, it's easy to use—even for new drivers. Shifting is controlled by intelligent software and engine integration. Plus, you'll optimize fuel economy with continuous monitoring of changes in grade, acceleration, vehicle weight and more.

# Control at your fingertips.

The Mack Anthem<sup>®</sup> provides the comfort, safety, and focus drivers need to deliver loads on time.

1. Flat-bottom steering wheel for more belly room and easier entry and exit.
2. Illuminated automotive-style controls for comfort and ease.
3. Customize with 4 optional auxiliary gauges.
4. mDRIVE<sup>™</sup> controls intuitively placed for easy access.
5. Laser-etched rocker switches for durability.
6. Digital-analog gauges combine precision with familiarity.
7. 5" full-color Mack Co-Pilot<sup>™</sup> digital display for enhanced visibility.
8. 7" touchscreen display for information and entertainment.

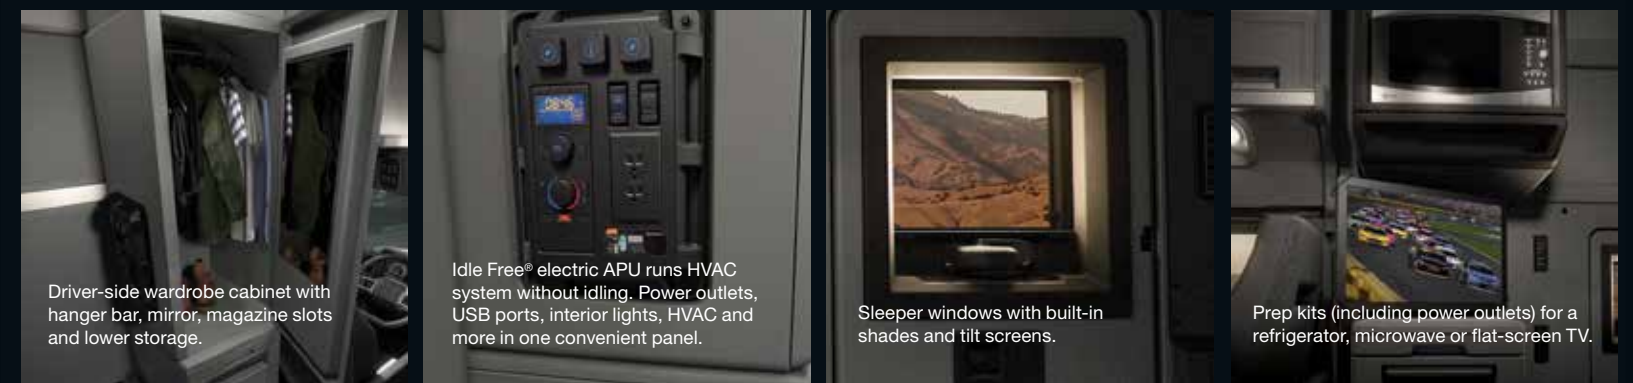

# Home away from home.

A stand up sleeper with 35% more space, the Anthem keeps drivers comfortable, well-rested, and ready for the road ahead.

Multiple bunk and storage configurations.

Partnered with Sears Seating for improved comfort and support.

Driver-side wardrobe cabinet with hanger bar, mirror, magazine slots and lower storage.

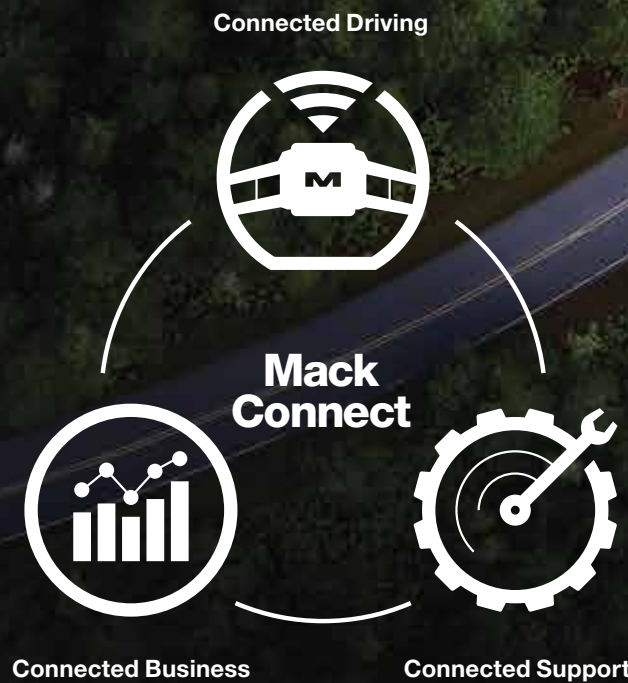

Idle Free<sup>®</sup> electric APU runs HVAC system without idling. Power outlets, USB ports, interior lights, HVAC and more in one convenient panel.

Sleeper windows with built-in shades and tilt screens.

Prep kits (including power outlets) for a refrigerator, microwave or flat-screen TV.

# Uptime. All the time.

Mack® Connect is an exclusive uptime and productivity solution that combines intelligent software, predictive analytics, driver-assist technologies and more to help keep your trucks—and your business—moving forward.

## CONNECTED DRIVING

### Bendix Wingman Fusion

Enhanced road safety with a driver-assisted integrated system that constantly links radar, camera and brake systems together to actively help drivers maintain a safe following distance.

### Predictive Cruise

Store hilly terrain data using GPS to optimize engine speed and fuel efficiency on previously driven routes.

## CONNECTED BUSINESS

### Verizon Connect

Fleet management tool that integrates with GuardDog® Connect and sends truck data directly to your own software for analysis.

### Omnitracs

Integrated telematics provides real-time insights into truck location and driver behaviors.

## CONNECTED SUPPORT

### GuardDog® Connect

Automatically monitor your truck's performance to enable quick diagnosis of issues, schedule repairs and order parts—all while the truck is still on the road. Plus, it's free for the first two years after purchase.

### Mack OneCall®

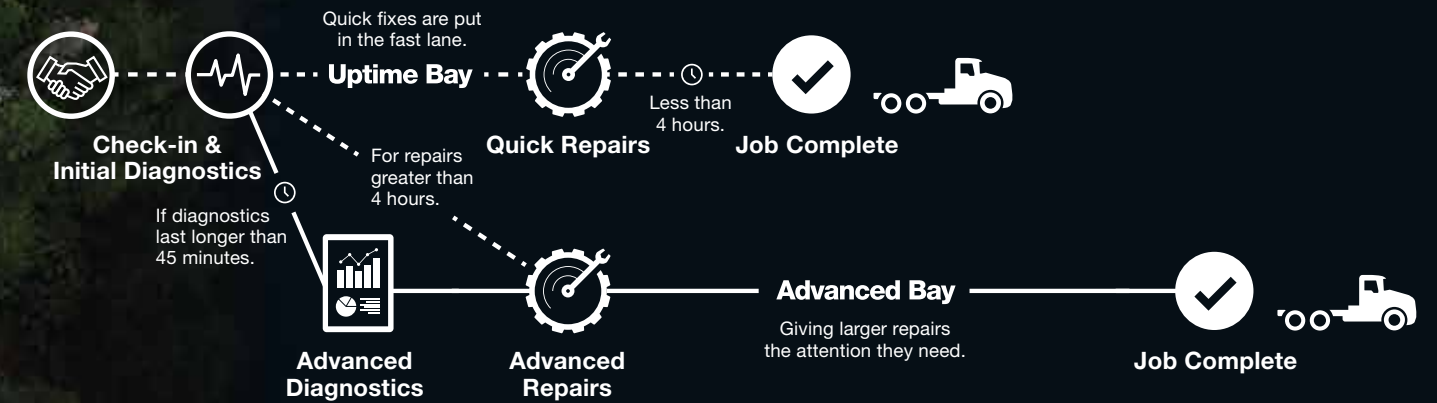

24/7 support and roadside assistance anywhere in the U.S. and Canada. A real person will connect you to our network of experienced technicians and state-of-the-art Uptime Centers to get you back on the road. Call 800-866-1177.

### Over The Air Software Updates

Wirelessly update your system without disrupting your schedule to increase operational efficiency and uptime. Requires GuardDog® Connect.

## CERTIFIED UPTIME DEALERS

Trucks spend an industry average of 4 days in the shop, even though the average repair is less than 4 hours. Mack identifies the quick repairs for the fast lane, saving you downtime and dollars.

REDUCE REPAIR TIME BY 21%

## NATIONWIDE DEALER NETWORK

With a commitment to quick, quality service, our dealers have invested nearly \$600 million since 2010 to modernize facilities, improve access to parts and train service professionals to help get you back on the road fast.

## MACK HE+ PACKAGE FUEL SAVINGS

Outfit your Mack Anthem® with the ultimate in fuel-efficient features.

**3%** from enhanced aerodynamics  
+ **6.5%** from MP®8HE engine upgrade

**9.5%**

FUEL ECONOMY IMPROVEMENT\*

SAVE UP TO

**1,900**

GALLONS PER YEAR

THAT'S NEARLY

**\$5,700**

SAVINGS PER YEAR\*\*

**24/7/365**

**ROADSIDE ASSISTANCE**

\*Compared to similar Mack Anthem® without HE engine and HE+ features.  
\*\*Using 20,000 gallons of fuel with an average fuel price of \$3.00 per gallon.
